Čovjekova sreća u ovom životu ne leži u pomanjkanju,
već u svladavanju njegovih strasti.

Stari ljudi moraju umrijeti; ili će svijet utonuti u pljesan i
samo iznova stvarati prošlost.

Grad je izgrađen
Za glazbu pa nikada nije ni izgrađen,
stoga je izgrađen zauvijek.

Kraljeve idile

The happiness of a man in this life does not consist in the absence, but in the mastery of his passions.

Old men must die; or the world would grow moldy, would only bread the past again.

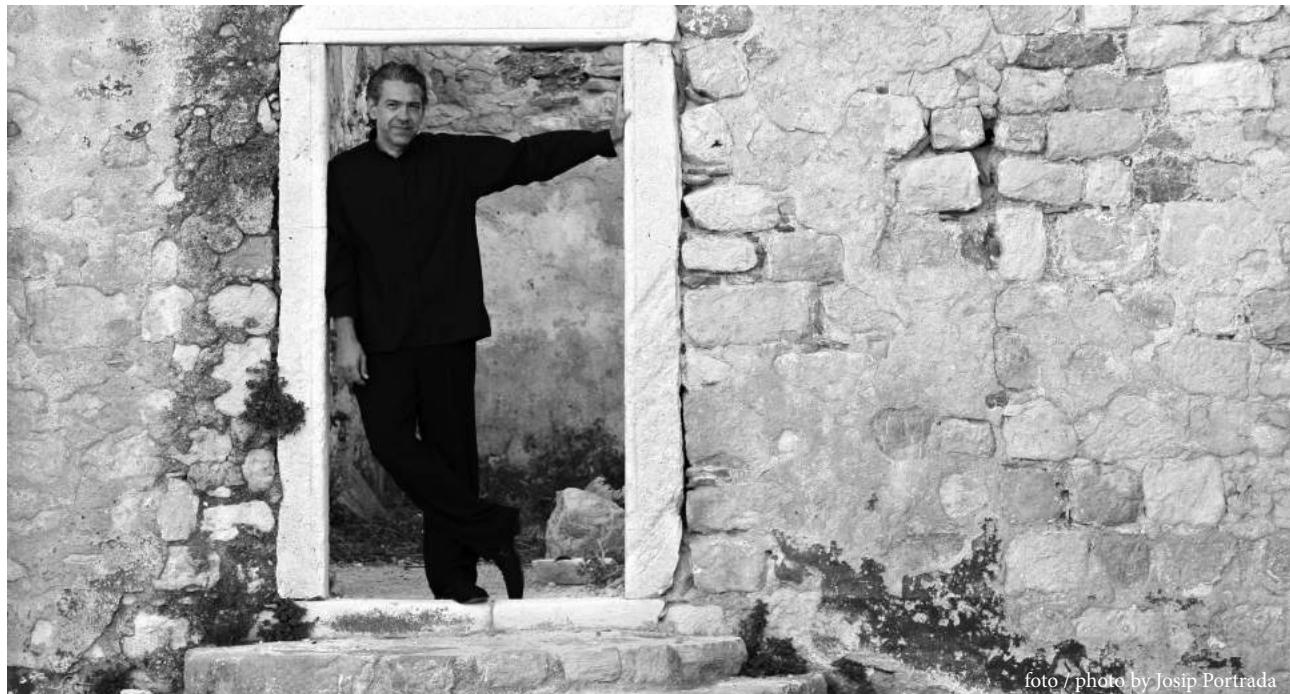

The city is built
To music, therefor never built at all,
And therefore built for ever.

Idylls of the King

Alfred Lord Tennyson

Lovro Pogorelić, klavir/piano

M. P. Musorgski: *Slike s izložbe* / M. P. Mussorgsky: *Pictures at an Exhibition*
S. S. Prokofjev: *8. Sonata za klavir* / S. S. Prokofiev: *Piano Sonata No. 8, Op. 84*

Od svoje sedamnaeste godine **Lovro Pogorelić** redovito koncertira širom svijeta. Solistički ili s orkestrom, ostvaruje pijanističke kreacije uvjerljive snage i nepobitne individualnosti.

Među recentnim nastupima izdvaja recital u Zadru ovog proljeća koji je popraćen sljedećim riječima: "Lovri Pogoreliću u Hrvatskoj, a i izvan nje nije potrebno pokazivanje i/ili dokazivanje: ovaj ingeniozni umjetnik od formata posjeduje zavidnu nutarnju puninu koju sa sobom donose zrele godine, a koje su u sretnom suglasju sa superiornom tehničkom spremom. Kao ni njegov životopis, niti tehničku spremu Lovre Pogorelića nije potrebno opisivati – ona se podrazumijeva. Njegov položaj na našem sve razgranatijem pijanističkom obzoru ne može ugroziti niti jedan novi, blistavi talent. Prije bi se reklo da je Lovro Pogorelić jedna od referentnih točki suvremenog hrvatskog pijanizma. Takođe je umjetnika užitak slušati, bez obzira kojem se repertoaru okreće: Brahmsu, Lisztu, Chopinu ili, kako na ovom koncertu, ruskim autorima." (H. Novak Penga, KLASIKA.hr)

Recital u Teatru Bibiena u Mantovi kritičar lista Cultura&Societá opisao je kao "Pijanističku meditaciju" i istaknuo "...istančanost zvuka koji zadire u meditativnu unutaraju refleksiju kojoj se suprotstavljuju dinamične eksplozije što slijede jednu vrlo osobnu logiku. To se u mantovanskom recitalu vidjelo i u djelima romantičara Schuberta (Sonata D 960) i Schumanna (Kreisleriana Op. 16) kao i kod ekstatičnog i mističnog 'simbolista' Skrjabina (5. Sonata)". Prilikom posljenjeg nastupa u Danskoj na festivalu Schubertiaden najavljen je sljedećim riječima: "Majstor za klavirom... Sve što karakterizira jednog majstora, Lovro Pogorelić ima u izobilju: svoj vlastiti neprikosnoveni pristup svemu što svira, tehniku koja mu dopušta da ispunji prostor zvučnim bojama, a da ne pravi kompromis s poteškoćama koje većina izvođača doživljava u svojim nastupima, sposobnost da se koncentriira i fokusira na način koji općinjava slušatelja; slušatelj je uvjeren da je ono što se događa u danom trenutku upravo najvažnije." (B.-E. Rasmussen)

From the age of seventeen, **Lovro Pogorelich** has been giving concerts throughout the world on a regular basis. Solo or accompanied by the orchestra, he makes pianistic creations of convincing power and inarguable individuality. Among recent concerts the highlight was the recital in Zadar this spring which was accompanied by the following words: "Lovro Pogorelich does not need to show and/or prove himself in Croatia or outside of it: this ingenious and outstanding artist possesses an enviable inner fullness rendered by mature years, which is in blissful harmony with a superior technical mastery. His biography, as well as his technical mastery, does not need to be described – it is implicit. His position on our increasingly expanding artistic horizon cannot be threatened by any new, sparkling talent. It can be assumed that he is one of reference points of modern Croatian pianism. Such an artist is a pleasure to listen to, regardless of his choice of repertoire: Brahms, Liszt, Chopin or, as in this concert, Russian composers." (H. Novak Penga, KLASIKA.hr)

His recital at Teatro Bibiena in Mantova was described by the Cultura&Societá magazine critic as "Pianistic Meditation... the refinement of sound that affects meditative inner reflection which is opposed by dynamic explosions that follow a very personal logic. This could be seen in Mantova's recital in the works of romantics Schubert (Sonata D. 960) and Schumann (Kreisleriana Op. 16) as well as in the ecstatic and mystical 'symbolist' Scriabin (Sonata No. 5)". The last Denmark performance at Schubertiaden was announced as the "Master at the Piano... All that characterizes a master Lovro Pogorelich has in abundance: his own sacrosanct access to everything that he plays, a technique that allows him to fill the space with sound colours and by not making compromises with the difficulties experienced by most performers in their performances, an ability to concentrate and focus in a way that enchants the listener; the listener is convinced that what is going on at the given moment is the most important thing." (B.-E. Rasmussen)

Seriju recitala u Japanu (Osaka, Nagoya, Tokyo 2011.) kritika je popratila sljedećim riječima: "... On je krupan čovjek i svira s punim udarom, ali nalazim profinjenost u njegovom zadivljujućem zvuku..." (K. Michishita, Let's Enjoy Tokyo, 5 najboljih koncerata u 2011.) te "... Njegova izvedba je ekstremno bogata i raznovrsna a vještina njegovih ruku je neiscrpna.

Vizualno, kao blistavi kristali i moćno kao prašina u zraku. Potpuno sam zadivljena ogromnom širinom dinamičke skale i njegovim kapacitetom u okretnosti pokretne snage logičkog sklada. Njegov rad sadrži mnogo ekscentričnih faktora, ipak svaki djelič zvuka je gladak i blistav kao baršun ..." (K. Fushhiya, www.jazztokyo.com), a prilikom turneje s Mađarskom filharmonijom pod ravnanjem Zoltána Kocsisa (2. Klavirski koncert S. Rahmanjinova; Miškolc, Szegedin, Pečuh, Debrecin, Budimpešta 2012.) zabilježeno je: "Plemenitu eleganciju izvedbe Lovre Pogorelića, njegove suverene, ali ne pretjerane, individualne odabire tempa – koje je orkestar uglavnom dosta fleksibilno pratilo – njegovu prirodnu virtuznost auditorij je nagradio urnebesnim pljeskom, a glazbenik koji i svojom skromnošću pokazuje primjer svima, za to se zahvalio kratkim frapantnim preludijem Rahmanjinova." (A. Kovács, Eozin magazine, Pécs)

Francuska diskografska kuća Intrada (Pariz) prepoznala je umjetnost Lovre Pogorelića te je u proljeće 2007. izdala CD Liszt Lovro Pogorelić koji je izazvao divljenje kritike u rasponu od uzvika "Wouah!" u Francuskoj (A. Jourdain, www.pianobleu.com) do karakterizacije "...pianist izvjesne reputacije sa zadivljujućim muzičkim argumentima..." (J. Hamada, The Record Geijutsu Disc Review, Japan). Francuski muzički kanal Mezzo snimio je dokumentarni film o nastanku ovog CD-a koji je višekratno emitiran. U prosincu 2008. Intrada izdaje novi CD Lovre Pogorelića, s djelima Musorgskog i Rahmanjinova. Pianobleu odabire ovaj CD kao CD mjeseca siječnja 2009. Hrvatski izdavač je Dancing Bear.

Lovro Pogorelić izvanredni je profesor klavira na Muzičkoj akademiji u Zagrebu. U slobodno vrijeme osvaja planinske vrhove.

His recital tour in Japan (Osaka, Nagoya, Tokyo 2011) was commented by the critics as: "... He is a big man in size and plays in full impact, but I myself felt refined delicacy in his astonishing sound..." (K. Michishita, Let's Enjoy Tokyo, 5 best concerts in 2011) and "... He is extremely rich in performing music of a great variety and holds inexhaustible skills in his hands. Visually as sparkling as crystal and powerfully as dust blown up in the air. I am utterly astonished by a great variety of dynamic range, and his capacity in a swift shifting power of sequence in tune. His work contains many eccentric factors, although every grain of tune is as smooth and brilliant as velvet..." (K. Fushhiya, www.jazztokyo.com) and for Hungarian tour with the Hungarian Philharmonic under the direction of Mo. Zoltán Kocsis (2nd Piano Concerto by Rachmaninov; Miskolc, Szeged, Pecs, Debrecen, Budapest 2012): "A noble elegance of Lovro Pogorelich's interpretation, his sovereign, yet not excessive, highly individual choices of the tempo – which the orchestra followed quite flexibly – his natural virtuosity was rewarded by the thundering applause, and the musician, whose modesty should serve as an example to all, thanked for it with a striking Rachmaninoff's prelude." (A. Kovács, Eozin magazine, Pecs)

The French recording company Intrada (Paris) has recognised the art of Lovro Pogorelich and, in spring 2007, it published a CD Liszt Lovro Pogorelich acclaimed by the critics, ranging from an exclamation of admiration "Wouah!" in France (A. Jourdain, www.pianobleu.com) to the following characterisation "...a pianist of unquestionable reputation with fascinating musical arguments..." (J. Hamada, The Record Geijutsu Disc Review, Japan). The French music TV channel Mezzo even produced a documentary on the recording of the said CD that has been repeatedly aired. In December 2008, Intrada published a new Lovro Pogorelich CD with the works of Mussorgsky and Rachmaninoff. Pianobleu chose this CD as the CD of the Month in January 2009. CDs have been released in Croatia as well, by Dancing Bear record label.

Lovro Pogorelich teaches piano as an Associate Professor at the Music Academy of the University of Zagreb. In his spare time he conquers mountain peaks.
